Bring Back Bush!

Hey Hey, Ho Ho, Keep the Profits with the CEOs

You say health gap, I say wealth gap.

Stock options, yes! Public Option, no!

Your pain, our gain.

Walk. It. Off.

Wealthcare, Not Healthcare!

Fear, Lies, Sedition! Pre-Existing-Condition!

Freedom Works. For us!

Ang-ry Yell! Ang-ry Yell!

We are loud! We are loud!

What are we saying? Rrrrrrr!

How do we say it? LOUD!

Do we know what we're saying, Noooooo!

What are we mad about? Stuff!"

If the facts do not equate, just lie and obfuscate!

ONE LINERS:

What health care problem? I feel just fine.

Let them eat Advil.

Whatever happened to an apple a day?

Band-Aids are affordable.

Nothing Says "Freedom" Like Denying Claims

Don't Tread My Freedom to Deny Your Claim

Don't Blame Me for Your Pre-Existing Condition

Skyrocketing Premiums: What's Not to Like?

Your fight is not with us, it's for us. (to the teabaggers) Ask not what your healthcare corporation can do for you...but what you can do for your healthcare corporation

For the past 8 years, health care costs have been moving in the right direction...Up!

Nobody's forcing you to get sick, you know.

Support Our Troops: Stop Giving Them Socialized Medicine!

Fight Socialism! Take Away VA Benefits from our Troops Now!

Fight Socialism! End Medicare Now!

Who needs infrastructure?

Your premiums may have doubled, but our salaries have tripled!

The system works great — for the insurance industry!

Keeping our profits healthy will require some sacrifice. Not on our part, of course.

You deserve the healthcare you can afford

Private Insurance works just fine

Walk it off.

We're just like you — minus a few billion dollars and a butler or two. (to teabaggers)
